HOBBIES AND INTERESTS

Healthy lifestyle

I prefer a healthy lifestyle like traveling, biking, jogging and so on.

For 4 years I was engaged in **kickboxing** and for 2 years in **sambo**. Later I became interested in **folk dances** and performed with a collective in many European countries.

I am *free* of the bad habits. In my free time I like to play **chess** with my friend whom I taught to play myself. I also have an experience in teaching other people by programming skills.

Currently, to keep myself in good physical shape, I run and do street workout.

VOLUNTEERING

Volunteering in a youth organization URBAN CENTER COMRAT

[Pobeda Street 43, MD-3801, Comrat, Moldova, 15/09/2015 – 31/05/2017]

The Urban Center is a platform for training and equipping a new generation of young leaders who will not only be able to take responsibility for their lives, but will also be able to change the future of the country in the next 10 years.

One of our tasks was helping people in need (it included physical, moral and material assistance) and also teaching useful skills to the younger generation.

ORGANISATIONAL SKILLS

Sports and patriotic event "The Victory Record"

I started out as one of three organizers of a sports and patriotic event dedicated to the memory of the victory in World War II.

However, after 3 years I remained the only organizer in our town and held the event myself.

This event was held for 7 years in a row.
